

DVSDK WinCE 1.xx Software License Agreement

IMPORTANT – PLEASE READ THE FOLLOWING LICENSE AGREEMENT CAREFULLY. THIS IS A LEGALLY BINDING AGREEMENT. AFTER YOU READ THIS LICENSE AGREEMENT, YOU WILL BE ASKED WHETHER YOU ACCEPT AND AGREE TO THE TERMS OF THIS LICENSE AGREEMENT. DO NOT CLICK “I HAVE READ AND AGREE” UNLESS: (1) YOU ARE AUTHORIZED TO ACCEPT AND AGREE TO THE TERMS OF THIS LICENSE AGREEMENT ON BEHALF OF YOURSELF AND YOUR COMPANY; AND (2) YOU INTEND TO ENTER INTO AND TO BE BOUND BY THE TERMS OF THIS LEGALLY BINDING AGREEMENT ON BEHALF OF YOURSELF AND YOUR COMPANY.

Important – Read carefully: This WinCE DVSDK 1.xx Software License Agreement (“Agreement”) is a legal agreement between you (either an individual or entity) and Texas Instruments Incorporated (“TI”). The DVSDK WinCE Software consists of the software programs that accompany this Agreement and any “on-line” or electronic documentation associated with these programs (in whole or in part, the “Licensed Materials). Your use of the Licensed Materials is subject to the licensing terms contained in this Agreement. The Licensed Materials may contain software programs that are subject to additional third party license agreements as indicated in the files contained with such software programs. In the event such a third party license agreement is applicable, then you agree to be bound by both this Agreement and the third party license agreement, with the third party license agreement controlling to the extent that it is more restrictive than this Agreement. By installing, copying or otherwise using the Licensed Materials you agree to abide by the following provisions. This Agreement is displayed for you to read prior to using the Licensed Materials. If you choose not to accept or agree with these provisions, do not download or install the Licensed Materials.

Note Regarding Possible Access to Open Source Software: The Licensed Materials may be bundled with Open Source Software. “Open Source Software” means any software licensed under terms requiring that (A) other software (“Proprietary Software”) incorporated, combined or distributed with such software or developed using such software: (i) be disclosed or distributed in source code form; or (ii) otherwise be licensed on terms inconsistent with the terms of this Agreement, including but not limited to permitting use of the Proprietary Software on or with devices other than TI Devices, or (B) require the owner of Proprietary Software to license any of its patents to users of the Open Source Software and/or Proprietary Software incorporated, combined or distributed with such Open Source Software or developed using such Open Source Software.

By accepting this Agreement, you may gain access to Open Source Software, in which case such Open Source Software will be listed in the applicable software manifest (in whole or in part, the “Open Source Materials”). Your use of the Open Source Materials is subject to the separate licensing terms applicable to such Open Source Materials as specified in the applicable software manifest. For clarification, this Agreement does not limit your rights under, or grant you rights that supersede, the license terms of any applicable Open Source Materials license agreement. If any of the Open Source Materials have been provided to you in object code only, TI will provide to you or show you where you can access the source code versions of such Open Source Materials if you contact TI at Texas Instruments Incorporated, 12500 TI Boulevard, Mail Station 8638, Dallas, Texas 75243, Attention: Contracts Manager. You may terminate this Agreement in the event you choose not to accept or agree with the terms in any applicable Open Source Materials license agreement, provided that such termination occurs within five (5) days of acceptance of this Agreement and you abide by all applicable license terms in this Agreement until such termination.

1. License Grant and Use Restrictions.

- a. License Grant. Subject to the terms and conditions of this Agreement, TI grants to you the following non-exclusive, non-transferable, non-assignable, non-sub-licensable, royalty-free licenses to the Licensed Materials:

i. *Limited Source Code License.* You may make and have made copies, prepare derivative works, display internally and use internally the Licensed Materials provided in source code for the sole purpose of developing object and executable versions of such Licensed Materials, or any derivative thereof, for use in products that include the Licensed Materials (or such derivative works made pursuant to this license grant) running solely and exclusively on processing devices manufactured by or for TI ("TI Devices") (such products hereafter referred to as "Customer Products"), and maintaining and supporting such Licensed Materials, or any derivative thereof, and Customer Products. You agree that this source code license is site specific and is solely for the location where the Licensed Materials are downloaded, and that you will not move any source code version of the Licensed Materials, or any derivative thereof, to any other location without TI's prior written consent, which consent will not be unreasonably withheld. You shall maintain the source code versions of the Licensed Materials under password control protection.

ii. *Development License.* You may make copies, display internally, distribute internally and use internally object code and executable versions of the Licensed Materials for the sole purposes of designing and developing Customer Products, and maintaining and supporting Customer Products.

iii. *Distribution License.* You may distribute binary versions of the Licensed Materials or such derivative works made pursuant to Section 1(a), only as part of Customer Products. Nothing in this Agreement shall be construed as permitting you to distribute source code versions of the Licensed Materials or versions of Licensed Materials that operate independently of Customer Products.

b. Contractors and Suppliers. The licenses granted to you hereunder shall include your on-site and off-site suppliers and independent contractors, while such suppliers and independent contractors are performing work for or providing services to you, provided that such suppliers and independent contractors have executed work-for-hire agreements with you containing applicable terms and conditions consistent with the terms and conditions set forth in this Agreement, and provided further that you agree you are responsible for the breach of this Agreement by any of your suppliers or contractors to the same extent that you would be if you breached the Agreement yourself.

c. Limited License to TI and Covenant not to Sue. Continuing for the term of this Agreement, you hereby grant to TI under any of your patents embodied in the Licensed Materials a non-transferable, non-exclusive, non-assignable, worldwide, fully paid-up, royalty-free license to make, use, sell, offer to sell, import, export and otherwise distribute such Licensed Materials. You covenant not to sue or otherwise assert Derived Patents against TI and TI's affiliates and their licensees of the Licensed Materials. In the event you assign a Derived Patent, you shall require as a condition of any such assignment that the assignee agree to be bound by the provisions in this Section 1(c) with respect to such Derived Patent. Any attempted assignment or transfer in violation of this Section 1(c) shall be null and void. For purposes of this Agreement, "Derived Patents" means any of your patents issuing from a patent application that discloses and claims an invention conceived of by you after delivery of the Licensed Materials, and derived by you from your access to the Licensed Materials.

d. No Other License. Notwithstanding anything to the contrary, nothing in this Agreement shall be construed as a license to any intellectual property rights of TI other than those rights embodied in the Licensed Materials provided to you by TI. EXCEPT AS PROVIDED HEREIN, NO OTHER LICENSE, EXPRESS OR IMPLIED, BY ESTOPPEL OR OTHERWISE, TO ANY OTHER TI INTELLECTUAL PROPERTY RIGHTS IS GRANTED HEREIN.

e. Use Restrictions.

i. You shall not disclose or distribute the Licensed Materials, or any derivative thereof, to any person other than your employees and contractors whose job performance requires access.

ii. Use of the Licensed Materials on processing devices manufactured by or for an entity other than TI is a material breach of this Agreement. Use of the Licensed Materials to assist in the design, development or verification of a device not manufactured by or for TI is a material breach of this Agreement. Use of the Licensed Materials to generate applications for use with processing devices other than those manufactured by or for TI is a material breach of this Agreement.

iii. You will not sublicense, transfer or assign the Licensed Materials or your rights under this Agreement to any third party.

vi. You may use the Licensed Materials with Open Source Software (as defined below) or with software developed using Open Source Software (e.g. tools) provided you do not incorporate, combine or distribute the Licensed Materials in a manner that subjects the Licensed Materials, or any derivatives thereof, to any license obligations or any other intellectual property related terms of such Open Source Software.

f. Termination. This Agreement shall continue until terminated. You may terminate this Agreement at any time by thirty (30) days' written notice to TI. Without prejudice to any other rights, if you fail to comply with the terms of this Agreement, TI may immediately terminate your right to use the Licensed Materials, or any derivative thereof, and any applications generated using the Licensed Materials, or any derivative thereof upon written notice to you. Upon termination of this Agreement, you will destroy any and all copies of the Licensed Materials, including any derivatives thereof, in your possession, custody or control and provide to TI a written statement signed by your authorized representative certifying such destruction. Except for Section 1(a) and the limited license to TI set forth in Section 1(c), all provisions of this Agreement shall survive termination of the Agreement. Notwithstanding the foregoing, the termination of this Agreement shall not terminate the use of the Licensed Materials, or any derivatives thereof, in Customer Products developed, produced and distributed prior to any such expiration or termination.

2. Licensed Materials Ownership. The Licensed Materials are licensed, not sold to you, and can only be used in accordance with the terms of this Agreement. Subject to the licenses granted to you pursuant to this Agreement, TI and TI's licensors own and shall continue to own all right, title and interest in and to the Licensed Materials, including all copies thereof. The parties agree that all fixes, modifications and improvements to the Licensed Materials conceived of or made by TI that are based, either in whole or in part, on your feedback, suggestions or recommendations are the exclusive property of TI and all right, title and interest in and to such fixes, modifications or improvements to the Licensed Materials will vest solely in TI. You acknowledge and agree that regardless of the changes made to the Licensed Materials, your right to use any and all derivatives of the Licensed Materials shall remain subject to the terms and conditions of this Agreement. Moreover, you acknowledge and agree that when your independently developed software or hardware components are combined, in whole or in part, with the Licensed Materials, or any derivative thereof, your right to use the Licensed Materials, or any derivative thereof, embodied in such resulting combined work shall remain subject to the terms and conditions of this Agreement.

3. Intellectual Property Rights.

a. The Licensed Materials contain copyrighted material, trade secrets and other proprietary information of TI and its licensors and are protected by copyright laws, international copyright treaties and trade secret laws, as well as other intellectual property laws. To protect TI's and its licensors' rights in the Licensed Materials, you agree, except as specifically permitted by statute by a provision that cannot be waived by contract, not to "unlock", decompile, reverse engineer, disassemble or otherwise translate to a human-perceivable form any portions of the Licensed Materials provided to you in object code format only, nor permit any person or entity to do so. You shall not remove, erase, alter, tamper, cover or obscure any confidentiality, trade secret, trade mark, patent, copyright or other proprietary notice or other identifying marks or designs printed or stamped on, affixed to, or encoded or recorded in any component of the Licensed Materials. You shall reproduce and include in all

copies of the Licensed Materials the copyright notice(s) and proprietary legend(s) of TI and its licensors as they appear in the Licensed Materials. TI reserves all rights not specifically granted under this Agreement.

b. Certain Licensed Materials may be based on industry recognized standards or software programs published by industry recognized standards bodies and certain third parties may claim to own patents, copyrights and other intellectual property rights that cover implementation of those standards. You acknowledge and agree that this Agreement does not convey a license to any such third party patents, copyrights and other intellectual property rights and that you are solely responsible for any patent, copyright or other intellectual property right claim that relates to your use of the Licensed Materials, or your use of your products that include or incorporate the Licensed Materials. Moreover, you acknowledge that any fees or royalties paid to TI pursuant to this Agreement, as applicable, do not include any fees or royalties that may be payable to any third party based on such third party's interests in the Licensed Materials or any intellectual property rights that cover implementation of any industry recognized standard, any software program published by any industry recognized standards bodies or any other proprietary technology. You further acknowledge that you are responsible for any such third party fees or royalties.

c. Microsoft Windows CE Operating System. This Agreement does not grant a license to use the Windows CE operating system. Except as provided by other licenses included with portions of the Licensed Materials, you must obtain a license for the Windows CE operating system directly from Microsoft Corporation or one of its authorized resellers. Such license is required before you can use the Licensed Materials. This Agreement does not convey a license or imply any right under any patent, copyright, trade secret or other intellectual property right of Microsoft Corporation.

4. **Audit Right.** At TI's request, and within thirty (30) days after receiving written notice, you shall permit an independent auditor selected by TI to have access, no more than once each calendar year (unless the immediately preceding audit revealed a breach of this Agreement) and during your regular business hours, to all of your equipment, records and documents as may contain information bearing upon the use and distribution of the Licensed Materials.
5. **Confidential Information.** You acknowledge and agree that the Licensed Materials, and any derivative thereof, contain trade secrets and other confidential information of TI and its licensors. You agree to use the Licensed Materials, or any derivative thereof, solely within the scope of the licenses set forth herein, to maintain the Licensed Materials, or any derivative thereof, in strict confidence, to use at least the same procedures and degree of care that you use to prevent disclosure of your own confidential information of like importance but in no instance less than reasonable care, and to prevent disclosure of the Licensed Materials, or any derivative thereof, to any third party, except as may be necessary and required in connection with your rights and obligations hereunder. You agree to obtain executed confidentiality agreements with your employees and contractors having access to the Licensed Materials, or any derivative thereof, and to diligently take steps to enforce such agreements in this respect. TI agrees that industry standard employment agreements used in the normal course of your business shall satisfy the requirements of this section. TI may disclose your contact information to TI's applicable licensors.
6. **Warranties and Limitations.** THE LICENSED MATERIALS ARE PROVIDED "AS IS". NEITHER TI NOR ITS APPLICABLE LICENSORS MAKES ANY WARRANTIES OR REPRESENTATIONS, EXPRESS, IMPLIED OR STATUTORY, REGARDING THE LICENSED MATERIALS, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, LACK OF VIRUSES, ACCURACY OR COMPLETENESS OF RESPONSES, RESULTS AND LACK OF NEGLIGENCE. TI DISCLAIMS ANY WARRANTY OF TITLE, QUIET ENJOYMENT, QUIET POSSESSION AND NON-INFRINGEMENT OF ANY THIRD PARTY INTELLECTUAL PROPERTY RIGHTS WITH REGARD TO THE LICENSED MATERIALS AND YOUR USE OF THOSE LICENSED MATERIALS. NOTHING IN THIS AGREEMENT SHALL IMPOSE UPON TI OR ITS LICENSORS ANY OBLIGATION TO SUPPORT THE LICENSED MATERIALS.

IN NO EVENT SHALL TI, OR ANY APPLICABLE LICENSOR, BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, HOWEVER CAUSED, ON ANY THEORY OF LIABILITY, REGARDLESS OF WHETHER OR NOT TI HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT, THE LICENSED MATERIALS OR YOUR USE OF THOSE PROGRAMS. EXCLUDED DAMAGES INCLUDE, BUT ARE NOT LIMITED TO, COST OF REMOVAL OR REINSTALLATION, PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES, OUTSIDE COMPUTER TIME, LABOR COSTS, LOSS OF DATA, LOSS OF GOODWILL, LOSS OF PROFITS, LOSS OF SAVINGS, OR LOSS OF USE OR INTERRUPTION OF BUSINESS OR OTHER ECONOMIC LOSS. IN NO EVENT WILL TI'S (OR ITS LICENSORS') AGGREGATE LIABILITY UNDER THIS AGREEMENT OR ARISING OUT OF YOUR USE OF THE LICENSED MATERIALS EXCEED THE GREATER OF THE FEES PAID TO TI BY YOU FOR THE LICENSED MATERIALS OR FIVE HUNDRED DOLLARS (US\$500).

TI AND YOU EACH ACKNOWLEDGE AND AGREE THAT THE FOREGOING LIABILITY LIMITATIONS ARE ESSENTIAL AND MATERIAL ELEMENTS OF THIS AGREEMENT AND THAT IN THE ABSENCE OF SUCH LIMITATIONS, THE MATERIAL AND ECONOMIC TERMS OF THIS AGREEMENT WOULD BE SUBSTANTIALLY DIFFERENT.

Because some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages or limitation on how long an implied warranty lasts, the above limitations or exclusions may not apply to you.

- 7. Indemnification Disclaimer.** YOU ACKNOWLEDGE AND AGREE THAT TI AND TI'S LICENSORS SHALL NOT BE LIABLE FOR AND SHALL NOT DEFEND OR INDEMNIFY YOU OR YOUR CUSTOMERS AGAINST ANY THIRD PARTY INFRINGEMENT CLAIM THAT RELATES TO OR IS BASED ON YOURS OR YOUR CUSTOMERS' MANUFACTURE, USE OR DISTRIBUTION OF THE LICENSED MATERIALS OR ANY DERIVATIVE THEREOF, OR YOURS OR YOUR CUSTOMERS' MANUFACTURE, USE, SALE, OFFER FOR SALE, IMPORTATION OR DISTRIBUTION OF ANY PRODUCT THAT INCLUDES OR INCORPORATES THE LICENSED MATERIALS, OR ANY DERIVATIVE THEREOF.

THE PARTIES AGREE THAT THE FOREGOING STATES TI'S AND ITS LICENSORS ENTIRE LIABILITY WITH RESPECT TO INFRINGEMENT OF ANY PATENT OR OTHER INTELLECTUAL PROPERTY RIGHT UNDER THIS AGREEMENT AND IS IN LIEU OF ALL WARRANTIES, EXPRESS, IMPLIED OR STATUTORY, IN REGARD THERETO.

- 8. Export Control.** You hereby acknowledge that the Licensed Materials are subject to export control under the U.S. Commerce Department's Export Administration Regulations ("EAR"). You further hereby acknowledge and agree that unless prior authorization is obtained from the U.S. Commerce Department, neither you nor your customers will export, re-export or release, directly or indirectly, any technology, software or software source code (as defined in Part 772 of the EAR), received from TI, or export, directly or indirectly, any direct product of such technology, software or software source code (as defined in Part 734 of the EAR), to any destination or country to which the export, re-export or release of the technology, software or software source code, or direct product is prohibited by the EAR. You agree that none of the Licensed Materials may be downloaded or otherwise exported or reexported (i) into (or to a national or resident of) Cuba, Iran, North Korea, Sudan and Syria or any other country the U.S. has embargoed goods; or (ii) to anyone on the U.S. Treasury Department's List of Specially Designated Nationals or the U.S. Commerce Department's Denied Persons List or Entity List. You represent and warrant that you are not located in, under the control of, or a national or resident of any such country or on any such list and you will not use or transfer the Licensed Materials for use in any sensitive nuclear, chemical or biological weapons, or missile technology end-uses unless authorized by the U.S. Government by regulation or specific license or for a military end-use in, or by any military entity of Albania, Armenia, Azerbaijan, Belarus, Cambodia, China, Georgia, Iraq, Kazakhstan, Kyrgyzstan, Laos, Libya, Macau, Moldova, Mongolia, Russia, Tajikistan, Turkmenistan, Ukraine, Uzbekistan and Vietnam. Any software

export classification made by TI shall be for TI's internal use only and shall not be construed as a representation or warranty regarding the proper export classification for such software or whether an export license or other documentation is required for the exportation of such software.

- 9. Notices.** All notices to TI hereunder shall be delivered to Texas Instruments Incorporated, 12500 TI Boulevard, Mail Station 8638, Dallas, Texas 75243, Attention: Contracts Manager, Applications Processors and Floating Point DSP, with a copy to Texas Instruments Incorporated, 12500 TI Boulevard, Mail Station 8658, Dallas, Texas 75243, Attention: General Counsel. All notices shall be deemed served when received by TI.
- 10. Governing Law and Severability.** This Agreement will be governed by and interpreted in accordance with the laws of the State of Texas, without reference to conflict of laws principles. If for any reason a court of competent jurisdiction finds any provision of the Agreement to be unenforceable, that provision will be enforced to the maximum extent possible to effectuate the intent of the parties, and the remainder of the Agreement shall continue in full force and effect. This Agreement shall not be governed by the United Nations Convention on Contracts for the International Sale of Goods, or by the Uniform Computer Information Transactions Act (UCITA). The parties agree that non-exclusive jurisdiction for any dispute arising out of or relating to this Agreement lies within the courts located in the State of Texas. Notwithstanding the foregoing, any judgment may be enforced in any United States or foreign court, and either party may seek injunctive relief in any United States or foreign court.
- 11. PRC Provisions.** If you are located in the People's Republic of China ("PRC") or if the Licensed Materials will be sent to the PRC, the following provisions shall apply and shall supersede any other provisions in this Agreement concerning the same subject matter:

 - a. Registration Requirements.* You shall be solely responsible for performing all acts and obtaining all approvals that may be required in connection with this Agreement by the government of the PRC, including but not limited to registering pursuant to, and otherwise complying with, the PRC Measures on the Administration of Software Products, Management Regulations on Technology Import-Export, and Technology Import and Export Contract Registration Management Rules. Upon receipt of such approvals from the government authorities, you shall forward evidence of all such approvals to TI for its records. In the event that you fail to obtain any such approval or registration, you shall be solely responsible for any and all losses, damages or costs resulting therefrom, and shall indemnify TI for all such losses, damages or costs.
 - b. Governing Language.* This Agreement is written and executed in the English language. If a translation of this Agreement is required for any purpose, including but not limited to registration of the Agreement pursuant to any governmental laws, regulations or rules, you shall be solely responsible for creating such translation. Any translation of this Agreement into a language other than English is intended solely in order to comply with such laws or for reference purposes, and the English language version shall be authoritative and controlling.
 - c. Export Control.*

 - i. Diversions of Technology.* You hereby agree that unless prior authorization is obtained from the U.S. Department of Commerce, neither you nor your subsidiaries or affiliates shall knowingly export, re-export or release, directly or indirectly, any technology, software or software source code (as defined in Part 772 of the Export Administration Regulations of the U.S. Department of Commerce ("EAR")), received from TI or any of its affiliated companies, or export, directly or indirectly, any direct product of such technology, software or software source code (as defined in Part 734 of the EAR), to any destination or country to which the export, re-export or release of the technology, software, software source code or direct product is prohibited by the EAR.

ii. *Assurance of Compliance.* You understand and acknowledge that products, technology (regardless of the form in which it is provided), software or software source code, received from TI or any of its affiliates under this Agreement may be under export control of the United States or other countries. You shall comply with the United States and other applicable non-U.S. laws and regulations governing the export, re-export and release of any products, technology, software or software source code received under this Agreement from TI or its affiliates. You shall not undertake any action that is prohibited by the EAR. Without limiting the generality of the foregoing, you specifically agree that you shall not transfer or release products, technology, software or software source code of TI or its affiliates to, or for use by, military end users or for use in military, missile, nuclear, biological or chemical weapons end uses.

iii. *Licenses.* Each party shall secure at its own expense, such licenses and export and import documents as are necessary for each respective party to fulfill its obligations under this Agreement. If such licenses or government approvals cannot be obtained, TI may terminate this Agreement, or shall otherwise be excused from the performance of any obligations it may have under this Agreement for which the licenses or government approvals are required.

12. No Technical Support. TI and TI's licensors are under no obligation to install, maintain or support the Licensed Materials, or any derivatives thereof.

13. Entire Agreement. This is the entire Agreement between you and TI and this Agreement supersedes any prior agreement between the parties related to the subject matter of this Agreement. No amendment or modification of this Agreement will be effective unless in writing and signed by a duly authorized representative of TI. You hereby warrant and represent that you have obtained all authorizations and other applicable consents required empowering you to enter into this Agreement.
